Murai, et al

vs.

Junge, et al

**MAILED**

AUG 6 1982

**BOARD OF PATENT  
INTERFERENCES**

The decision on motions having been rendered, this proceeding is resumed before the Patent Interference Examiner.

An examination of the records reveals that Murai, et al, the junior party, alleges no date in their preliminary statement prior to the effective filing date of Junge, et al, the senior party.

Accordingly, notice is hereby given that pursuant to the provisions of 37 CFR 1.225 judgment on the record will be entered against Murai, et al unless they shall on or before August 6, 1982 show good and sufficient cause why such action should not be taken.
